REMOVAL OF GARBAGE CANS

In an effort to make our Town more attractive, we are requesting that trash containers be removed from the curb, sidewalk or street after your trash has been collected. Ideally, trash containers should be moved to the street the night before collection and removed immediately but not later than 24 hours after the container has been emptied. It is not appropriate or appealing to leave trash containers at the curb, sidewalk or street throughout the week. The Town thanks you in advance for your assistance in this matter.

**DO YOUR PART TO KEEP MADISON
BEAUTIFUL BY MOVING YOUR TRASH
CONTAINER AWAY FROM THE STREET
AFTER COLLECTION!**
